

Once you choose a moving date and time, Maniac Movers require a \$50.00 deposit to secure your booking. In the event you need to cancel your booked move, the deposit is refundable as long as you give us notice at least 2 days in advance from the date you are scheduled to move. If you are interested in receiving a Flat Rate Move, please inform the office, and we will schedule our Estimator to perform an in depth walk-through of your home prior to receiving a flat rate.
